

Answer to "Double Acrostic"

Paul Fussell

BAD BELIEFS [IN BAD]

Preexistence ... proves to be a belief always with snobbish overtones.... People conscious of having lived at least once before were always something grand, never server employees, garbagemen, or shovelers of dung....

Dr. Paul Fussell is the Donald T. Regan Emeritus Professor of English. Bad, or the Dumbing of America, was published by Summit Books in 1993. His Doing Battle: the Making of a Skeptic, was reviewed in the February Gazette.
